By CURTIS ZUPKEThe Orange County RegisterANAHEIM - Brad May has been among the NHL long enough that he doesn' t need to be told that there' s always someone ready to fill your shoes. Nothing is a certainty, even as a 17-year pro like May. The veteran moved closer to returning to the lineup Friday while he skated with the club. But he knows the Ducks have

changed dramatically since he went down with a broken bone surrounded his right foot among practice on Dec.15. They' ve gone 8-2-1 with first space San Jose among their sights.Young players like Ryan Carter and Brandon Bochenski have capably filled roles held forward injured Samuel Pahlsson and re-assigned winger Bobby Ryan. The fourth line of Todd Marchant, custom nfl jersey, George Parros and Brian Sutherby had been intact as some period until Parros injured a knee, football gear. May, speaking generally, acknowledged namely it might never be so easy to transition behind among and assume the same temperament. "There' s no question there' s competition every day," May said. Coach Randy Carlyle ambition must integrate May and Pahlsson after into the lineup soon, wholesale nfl jerseys, which he regards as a agreeable problem. But whether it' s not broke, will Carlyle not hook it? "We do take that near every now and then," Carlyle said. "We' ll assess the situation within the lineup that will give us the best accident as success, 2011 nfl nike jerseys. That' s always been the bid aboard our coaching staff." Feb18More and more reports are saying that Zidane could very well be coming to the Windy City keeps picking up steam. Soccer Insider from the Washington Post, Steve Goff, reported aboard the news earlier last week. Stating that AEG has the cash to dart along the French midfielder. If you ask me I have miscellaneous feelings nearly this possible move I think as the most part I am a bit worried that the MLS and AEG are throwing also much cash by only two players. Sure they are legendary and special within their own rights but they have preached surrounded the past how they do not lack to be again NASL. They have been comely at it so far but I equitable hope to not discern this being the fodder that could crash the camel' s back. However, I do mention that bringing among a player with the caliber that Zidane has could very well be a break as the young union Zidane would instantly improve a young Fire squad and provide the skills among the midfield that the alliance hasn' t seen among a while since the likes of Carlos Valderrama and Marco Etcheverry, nfl cheap jerseys. The popularity isn' t going to be as outstanding as Beckham, reebok nfl jerseys, merely the improvement among the alliance activity thanks to Zidane ambition He will be a perilous investment, new nfl jerseys by nike, merely subsequently again so is Beckham. The handle is still a long shot at best I think. FIFA isn' t a big fan of someone un-retiring...not to mention the fall out from the World Cup with Zidane wasn' t in FIFA' s liking. Zidane still has enough gas among the tank as hopefully two alternatively three more years I would think. I would adore to discern it and if it were to occur you can bet while I begin writing my pre-season reports aboard each crew and predictions going into the season that the Chicago Fire would be my elect to win it all with Zidane leading the way He would instantly acquaint the Fire that agreeable.

Pat Yasinkas: With the Falcons sitting at No. 24, nhl new jerseys, it' s hard to make an exact prediction right now. But I agree there are needs at safety and in the pass rush. I subscribe to the theory that you don' t take a safety in the first round (unless it' s somebody really special and you have a top 10 pick). I think the Falcons can wait on this need.

I definitely could see them going for a defensive end, like Georgia Tech's Michael Johnson. They don't have much of a pass rush besides John Abraham and Johnson would be a popular pick in Atlanta. Also, nike hockey jersey, iowa football jersey, nike nfl uniforms 2011, don't rule out an outside linebacker, make your own nhl jersey, such as Southern California's Brian Cushing or Clay Matthews. Pat Yasinkas: Unique and original question. Like it and hadn't thought about it in those terms before. After pondering it a little bit, I think the reports and speculation of the New England Patriots perhaps wanting to trade a second-round pick to Carolina for Peppers could help his value. If other teams see that and have an interest in Peppers, jerseys cheap, nike nfl combat uniforms, they might think they can get him with a slightly-better deal, real nfl jerseys, like maybe a first-round pick. Pat Yasinkas: I'm liking Tampa Bay's housecleaning more now that I see the rest of the plan unfolding with signings like linebacker Angelo Crowell and running back Derrick Ward and the trade for tight end Kellen Winslow. I still think the Derrick Brooks situation was not handled as well as it could have been. But, as far as letting guys like Joey Galloway and Warrick Dunn go, customized football jerseys, I think the Bucs were getting rid of some older players and that's understandable. We're still seeing the whole second half of that equation playing out. Neither did well on a fulltime basis in place of Haye or Hovan. So what will they do? Hesaidwhat in parts unknown writes: Hey Pat. Does the media attention Peppers has got latley help the draft picks panthers get for him? Pat Yasinkas: Yes, it still is a possibility that Charles Grant and Will Smith could be suspended. That's up to the NFL and we, air force football jersey, hockey jersey sizes, like the Saints, boston college hockey jersey, have to wait to see what's decided. But I think the Saints already have done some preparation already for this possibility. The recent signing of defensive end Paul Spicer, who also has the ability to play defensive tackle, gives them some solid, veteran depth. They already have Bobby McCray as their third defensive end. Not saying that will totally stop the Saints from getting a defensive end in the draft, Customized nba jerseys, but I don't think they're in a situation where they absolutely have to go out and get one. Spicer and McCray are good enough to get you through a few games as starters. Posted by ESPN.com's Pat Yasinkas EDEN PRAIRIE, nike nfl store, nfl jerseys cheap, Minn. -- Here's an interesting question now that Brett Favre has overtly connected his recent inaccuracy to the onset of elbow tendinitis: Who would make the decision to pull him from the lineup if it continues to impact his performance? With most players, 1980 usa hockey jersey, nfl cheap jerseys, the issue wouldn't be relevant. NFL coaches routinely make lineup and personnel changes, football jersey size chart, nike jerseys, usually with an iron fist and with little or no input from players. But Favre's streak of 289 consecutive games played, as well as the subjective nature of this injury, puts the Vikings in a potentially awkward situation. Let's backtrack a bit. Favre said Monday night that he wouldn't use tendinitis as an excuse after completing only 14 of 34 passes in a 29-

20 loss to the New York Jets. By Wednesday, authentic nhl jerseys, however, he was willing to state the obvious: "You're not going to make every throw," he said, nike nfl jerseys leaked, nhl jersey size chart, "but I would have made some of those throws [if the elbow was healthy]." He said he began feeling pain in the arm during the fourth quarter of the game. Rest is the only cure for the condition, and Favre did not practice Wednesday. Asked if he would consider taking a game off, Favre said: "Sure." But let's be real for a moment. Would a player who hasn't missed a game since 1992 actually volunteer to step aside? More importantly: Should it be his call? Or will it be left to coach Brad Childress, design a hockey jersey, who came under heavy scrutiny late last season for considering an in-game change, to make that decision? Many moons ago, I covered the Baltimore Orioles at the end of Cal Ripken's streak of consecutive games played. None of his managers, even the notoriously strong-willed Davey Johnson, was willing to halt history. Ultimately, montreal canadiens hockey jersey, the streak ended on the final day of the 1998 season, create your own hockey jersey, when Ripken told then-manager Ray Miller that he was ready. Wednesday, I asked Favre how he thought the question should be managed. Should he instigate a change? "That would probably see maybe a little more logical," he said, nike nfl gloves, university of maryland football jersey, "that [after] 20 years and having played through a lot of things. ... Unless you can't even throw a spiral, and they say, 'Alright Brett, I know you want to play, game worn nhl jerseys, nfl team jerseys, [but] I want to do right for the team.' "I don't know for sure in answering that question, michigan state football jersey, but I would think Brad and [offensive coordinator Darrell Bevell] would trust in me if I felt like [I could still play]. ... [If it's] one or two throws a game, you can say OK. But if I felt like there is more than that on a consistent basis where, 'Boy, wholesale nfl jerseys, he [usually] makes that throw, new nike nfl jerseys,' I should be able to address that with them. And I believe I would." At this point, new nike nfl, it's a non-issue. In fact, nfl jersey numbers, Childress has consistently refused to blame the condition for any poor throws. He noted that Favre grabbed his elbow several times during Monday night's game, but called it a "tick" rather than a sign of discomfort. "I didn't see a funny motion," Childress said. "I didn't see any kind of clutching motion or anything like that. I know he may have repositioned his brace on his elbow and went to it a couple times. We used to think that Donovan [McNabb] had something wrong [when he played for the Philadelphia Eagles]. He used to bend over like his stomach hurt, like he was being poked. It was just kind of a tick, personalized nfl football jerseys, nfl jersey me, if you will, nfl jersey monster, that different people have." Childress said that he is "always taking in information and taking in what's best for the greater good." Will the greater good ever be reached by giving Favre time off to rest his elbow? The better question is this: Will Favre ever let that happen? Sports Blog Afternoon mailbag Pat Yasinkas: Agreed — defensive tackle remains a major issue for the Bucs. Jovan Haye left through free agency and Chris Hovan's not getting any younger. Jimmy Wilkerson and Ryan Sims are backups. I'm quite sure the Bucs aren't done at this position. New defensive coordinator Jim Bates likes to have at least one big, run-stuffing tackle. I'm pretty sure you'll see that come in either free agency or the draft, nfl throwback jersey, perhaps even early in the draft. Mike in Eden NC writes: Hey Pat, shop nhl jerseys, Is there any possibility of sending Peppers to Denver for Cutler?? This would take care of our QB struggles and take all the Peppers stress out of the situation. Pat Yasinkas: That's a popular question with Carolina fans. But I'll say, nhl home jersey, again, nfl jersey, retro hockey jerseys, I don't see a trade of Julius Peppers for Jay Cutler, nhl jersey sizes, although I can see the logic behind the idea. But I don't think Marty Hurney and John Fox — or the Broncos for that matter — see the same thing we do. This situation is a lot more complicated than just swapping one disgruntled player

for another. There's the matter of compensating Peppers, shop nfl jerseys, north dakota hockey jersey, who probably is looking for a deal that will make him the best-paid defensive player in the league. There's also the possibility Cutler might want a new (in other words, oregon ducks authentic football jersey, big) contract if he lands with a new team. Not saying it's right or wrong, kamazu hockey jersey, but Fox and Hurney have a lot of loyalty to Jake Delhomme. I just don't think this move fits their profile. Comments are closed. Chris in New Orleans writes: Pat, new nfl jersey, osu football jersey, I appreciate the great coverage on the Saints recent transactions. My question is: Charles Grant and Will Smith, are they still facing a four game suspension from the league and do you feel this may effect the Saints draft picks and future free ageny this year? Thanks H.E. in Chattanooga writes: Pat, black football jersey, I've really enjoyed your coverage of the NFC South. But being a Falcons fan, my only concern is with their defense.
